THE ONE AND ONLY

Coloring and Protection

1.3 L

Wood Oil FOR WOODEN SURFACES

Natura Onecoat Wood Stain Oil 2K is a high-performance, two-component hardwax oil that delivers a natural matte finish, exceptional coverage, and long-lasting protection for all interior wood surfaces in just a single coat. Available in a wide range of colors.

GENERAL FEATURES

One-coat stain and finish for all interior wooden surfaces, including flooring, cabinets, and furniture.

Highly durable protection against stains, water, and heat.

Maintains natural wood appearance without forming a surface film.

Compatible with most wood types.

Fast drying – touch dry in just 1 hour.

Outstanding yield and coverage.

1.3 L (43.96 oz) covers 463 – 769 sq. ft., depending on wood type, sanding, and application method.

Available in a wide range of colors, all of which can be mixed for custom tones.

Very low odor, with a light natural oil scent.

Easy application and maintenance, with no visible overlaps.

VOC-free and environmentally friendly.

Certified safe – EN 71-3 compliant and MEKO-free.

Fully cured in 5 days.

Care and Maintenance

Maintenance Oil

Maintenance Oil FOR WOODEN SURFACES

A reliable, eco-friendly solution to refresh and protect oiled wood. Restores a natural matte look, boosts durability, and extends finish life—no sanding needed. Low odor and easy to apply. Perfect for regular care of floors, furniture, and interior wood.

GENERAL FEATURES

Revives and refreshes previously oiled wood surfaces without sanding.

Restores luster and renews the natural matte appearance.

Enhances protection against wear, water, and daily use.

Easy to apply – simply clean the surface and wipe on.

Fast drying – touch dry in 2–3 hours.

No sanding or stripping required before application.

Very low odor for comfortable indoor use.

VOC-free and environmentally friendly.

Ideal for regular maintenance of floors, furniture, and other wood surfaces.

Extends the lifespan of the original finish with minimal effort.

Care and Maintenance

Wood Surface Cleaner

Wood Surface Cleaner FOR WOODEN SURFACES

Experience an effective and cleaning solution inspired by nature.

GENERAL FEATURES

Surface Cleaner is a versatile, pre-mixed spray cleaner derived from Natura Soap. Ideal for maintaining oiled surfaces, it's perfect for spot cleaning smaller areas and removing stains on floors, tables, and countertops. Its ready to use formula does not need extra dilute.

Care and Maintenance

Wood Soap

Wood Soap FOR WOODEN SURFACES

Effective, Plant-Based Wood Care: This concentrated natural soap, infused with a fresh lime scent, cleans and protects oiled, waxed, or soap-finished wood, leaving a matte, authentic finish.

GENERAL FEATURES

Naturally scented with vibrant lime, this plant-based concentrated wood soap gently removes dirt and grime while preserving the natural beauty of oiled, waxed, or soap-treated wood surfaces. It leaves a matte, low-sheen finish that enhances the wood's authentic character.

Preparation

Wood Surface Prep

Wood Surface Prep FOR WOODEN SURFACES

A specially formulated water-based solution that cleans and raises the grain after sanding. When used during the wood finishing preparation phase, it enhances stain color intensity and ensures optimal surface readiness.

GENERAL FEATURES

Natura Onecoat Wood Prep is a water-based surface cleaner specially formulated to prepare wood for finishing.

Designed to remove fine dust and raise the grain after sanding, it ensures optimal absorption and a smooth, even application of finishes.

Ideal for use before applying Natura Onecoat oils, this easy-to-use prep solution enhances finish performance and helps achieve a professional-grade result on all types of wood surfaces.
